

MADISON COUNTY  
BOARD OF HEALTH

The physicians of the Madison County Board of Health strongly recommend that schools, businesses, health care facilities, nursing homes, and crowded places continue to require face coverings.

**Get a vaccine when you can!**  
**#StopTheSpread**

**Vaccination against COVID-19 will be the key to returning people to everyday life. Currently approved (EUA) COVID-19 vaccines are safe and effective in preventing illness, hospitalizations, and death.**
